DON LIND, former member of Concord Stake, now a civilian astronaut at the Manned Spacecraft Center of the National Aeronautics and Space Administration at Houston, Tex., addressed 500 Aaronic Priesthood bearers of Concord Stake at the Walnut Creek Ward chapel May 27. Don flew his own jet from Houston to keep the appointment. Family Preparedness To Be Stressed Throughout Church

Family Preparedess, though not a new idea, will receive renewed emphasis throughout the Church in the immediate future, Elder John M. Russon of the Chucrh Welfare Commitee warned the Walnut Creek Stake quarterly conference at the East Bay Interstake Center June 18.

First priority he named was tithing—keeping accounts square with the Lord. Next was living within the fafily income and setting aside something every month for oneself. Then at least a year's supply of food, clothig fuel, and other necessities (which would include money) should be build up and not just for storage, but for use.

"Store what you use and use what you store," Elder Russon counseled. In the field of vocationel and professional education he advised learning a second vocation to guard against obsolescence of the wage earner through illness, disaster, or changing conditions. Last, but not least, he urged proper observance of the Law of the Fast.

Other conference speakers stressed parallel themes. President Joseph R. Hilton, 1st counselor in the stake presidency, cited historic events, ancient and modern, a evidences of the accuracy of prophesies. "These are the Times of the Gentiles," he said. "We have a great missionary message to take to the world and the time is short. 'No man knows when—'"

Bishop Blaine Kimball of Danville Ward declared, "The Welfare Program embodies ALL the laws of the Gospel. It is capstone of a Christian life. We must prepare for difficult times ahead.

Elder Russon's companion for his Walnut Creek visit was Sister LaVern W. Parmley president of the Primary General Board. She documented the service of the Primary t othe Church by reciting case histories, one after another.

Sister Muriel Cottle, stake Primary president, bespoke the aid of Home Teachers in building Primary attendance. The encouraging figure of 72 per cent. attendance at Primary means that 28 per cent of the Primary means that 28 per cent of the Primary-age children are being deprived of the benefits of Primary attendance, she pointed out.

A Paisano party was held in the Oakland Ward cultural hall June 2, and attended by 300 mefbers and friends. The spaghetti dinner, complete antipasto and cheese board, was followed by the annual MIA ward play. The Streeters had outdone themselves and both players and cooks did a job to remember. Fathers, Sons In Santa Cruz Outing

By Dorothy A. Spoon

There were 112 fathers and sons at Rancho Verde near Santa Cruz May 26 and 27. Many came back with a good suntan or a painful sunburn. Weather for swiming, horseback riding and hiking was perfect. Good food and plenty of it was there for all. They froze by night and basked in the sun by day.

"That McOmber boy is sure forgetful. Doesn't he remember that I just shook hands with him?" said Brother Heaton after Shaking hands with Clair M Omber and then in the same warm friendly manner with his brother Douglas. Four of the six McOmber boys are all much the same size and look alike.

Flag raising ceremony was held on the Chapel lawn May 30. Brother Paul Jeppson of the Fremont Ward bishopric gave the opening prayer. The Guide Patrol gave the program under direction of their teacher Sister Jan Sipherd.

Robert Criddle directed the Flag ceremony. Ron Pimentel was color bearer, with Robert Richardson and Dan Avery as color guards. Jeff Williams was narrator of the program, with San Gappmaver giving the history of Memorial Dav and Randy Hunt a talk on the history of the Flag.

Guest speaker was Douglas McOmber with a talk on patriotism. The closing prayer was given by Gary Romel.

Guide Patrol Scouts from Walnut Creek Ward learn about the compas from ROBERT LEININGER.

'Keep It Fun' And They Did

By Gerry Lewis

"K.I.F." (Keep it Fun) was the motto for the Guide Patrol Day Camp of Walnut Creek Stake. A full day of fun, through use of Scouting skills, was held May 27 at Big Trees Camp in Anthony Chabot Regional Park. Fifty eight, 11 year-old Guides were at the flag raising ceremony Saturday morning. Color guards were Ronnie Bennion, Sandy Burgon and Paul Benton, all from Pleasant Hill 2d Ward. Henry Eames conducted the opening ceremony, Paul Brown gave the opening prayer, and the instructions for the day were noted by Geraldine Lewis, Walnut Creek Stake Scouting director.

Kyle Lewis, Life Scout from Walnut Creek Ward, passed around a poison oak leaf enclosed in plastic, to acquaint the boys with the physical characteristics of the plant. Kyle served as nature nstructor for the camp. John D. McKnnon, Orinda Ward, handled the knot-tying station and Paul Brown, Lafayette Ward, was host for the fire-building contests. From Danville Ward, Robert Leininger had planned a compass course and Lyle Carson, Scoutmaster at El Sobrante Ward, led the boys through a class in trail signs and had them actually follow a trail, aid out to test their knowledge.Henry Eames, pleasant Hill 2d Ward, instructed the Scouts on sharpening a knife and an ax and reported that very few bad aids were needed by the boys.

Most of the Scouts cooked their noon meal according to their second class cooking requirements which specifies that fresh vegetables and meat are to be cooked, using no manufactured utensils or tinfoil.

An hour of free tife was the highlight of the day for many of the boys who went exploring, or built monkey bridges across the creek with heavy duty ropes previded by Concord Stake's Primary.

Parents, friends, and brothers and sisters were invited to share the evening dinner hour with the Guides. Merle Weathersbee, stake Trail Builder. Partner, had planned and prepared the entire meal—sloppy joes salad, drinks, and cup cakes. Next, Scouts, leader and guests, all climbed the hiul to the fire ring for a closing camp fire. Day camp patches were given to each of the boys for their uniforms and ribbons were awarded for the events of the day. Those winning first place awards were: Compass, Walnut Creek Ward; Knife and Ax, Orinda; Fire Building, Rodeo,; Trail Signs, Danville: knots, Pleasant Hiul 2d and Nature, Orinda. Pleasant Hill Ward received a blue ribbon for the best patrol flag and Pleasant Hill 2d won a tooled leather award, for the best "all around" patro of the day, scoring the most points in the combined events. Walnut Creek Ward had the largest patrol with 17 boys.

Each patrol entertained the group with a short comedy skit. Henry Eames was master of ceremonies, John McKinnon told a spine tingling ghost story, Bob Keiinger gave the Scoutter's Minute and Lyle Carson, the closing prayer. Out in the distance, "taps" was played, while the group continued to bow their heads, in thankfulness for the Church, the Scouting program and the warmth anr friendship enioyed around the campfire.

STEVEN MITCHELL, El Sobrante Ward Scout, sharpens his axe under supervision of HENRY EAMES.

DUANE CHRISTENSEN, Scout, learns about knots from JOHN McKINNON.

Armand Mauss Called To USU

Armand L. Mauss, recently appointed associated professor of sociology at Utah State University in Logan, expects to leave his Walnut Creek home with his wife Ruth and their eight children about Aug. 1. He is completing his doctoral work at the University of California with a dissertation entitled "Mormonism and Urbanism."

His professional career has included ten years of college and high school teaching, most recently at Diablo Valley College, Concord. One of his better-known published papers was "Mormonism and Secular Attitudes Toward Negroes," in the fall, 1966, issue of Pacific Sociological Review. As a result of his studies on the Negro question, Brother Mauss has been invited to speak to many Church groups and was featured on Rev. Lester Kinsolving's radio forum July 2.

Armand is the son of Patriarch and Sister Vinal G. Mauss of Walnut Creek Stake. The Mauss family has lived in the East Bay area since 1936 and is well known for years of service to the Churfh. Patriarch Mauss was formerly bishop of Oakland Ward, where the family lived for 13 years, during much of which time Sister Mauss was ward choir director. In 1949 the amily went to Japan, where Patriarch Mauss had been called as mission president. Since returning to the United States in the early 1950's, the families of both father Vinal and son Armand have lived in Walnut Creek Ward. A sister, Peggy Eliason, lives in Tacoma, Wash., where her husband is an air force officer and an AFROTC instructor. A younger brother Gordon is a seminary instructor in Springville, Utah.

After spending his boyhood in Scouting and Aaronic Priesthood activities of Oakland Ward, Armand served a mission to the New England States from 1947 to 1949. Then he went with his parents to Japan, where he took his bachelor's degree from the Sophia University of Tokyo. During this time in Japan, he met and married Ruth E. Hathaway of St. Anthony, Ida. Two children were born before they left Japan in 1954. After completing a tour of duty with the air force, Armand came to live in Walnut Creek, where he and his family have been active in the Church for the last 12 years, while he has done his graduate work at the University of California and taught in the schools of the area. For five of these years he served in the bishopric of Walnut Creek Ward and has spent the rest of his time in Aaronic Priesthood work. Sister Ruth Mauss has been active in ward MIA, Primary, and clerical work. The children have been faithful attenders at their meetings, with teenagers, Michael, Linda, and Lottie, qualifying every year for their individual awards. Fifteen-year-old Mike earned his Eagle Scout award last year.

Since the family will be in the area for a few weeks yet, their masy friends are invited to visit them and say goodbye.

WILMA BROWN became the bride of Gareth Bradford Danielson, in the Oakland Temple. July 1.

Wilma is the daughter of Mr. and Mrs. William M. Brown of San Francisco Ward. She has been attending Brigham Young University. Gareth, whose home is n Palm Springs, will soon enter his senior year at the College of Physicians and Surgeons Dental school.

After the wedding a small reception was held for close friends and family members.

Leland H. Wright, former Bishop of the Oakland Fourth warl, and Sister Margaret Wright, announce the marriage of their daughter, Miriam (Mimi) to David V. Penn, son of Bishop and Mrs. Albert Penn of Vancourver, B.C. Mimi and Dave plan to return to Brigham Young University to finish their studies after their marriage in the Oakland Temple August 30, 1967.

Robert Schlag, son of Brother and Sister Roy Schlag, has been called to serve in the Southwest Indian Mission at Holbrook, Arizona. Bob is now in Provo learning to speak Spanish and Navajo. Bob graduated from De Anza High School in 1966 and attended Contra Costa Junior College last year.

As a climax to a year's study, El Sobrante-Rodeo Wards Seminary students enjoyed an outing to Stinson Beach where they sunned, swam, surfed ad picniced. It was a happy but tired group that returned home late that afternoon.

The Aaronic Priesthood missionary committee gave a barbecue-swim party at the home of Ron Kelsey June 10. Admission to the party was one non-member friend. Although it was chilly and windy there was a good turn out and the group had a good time. Patio dancing climaxed the evening. Bonnie Gehring and Randy Lee were in charge of arrangements.

Once again, Scout Troop 117 took the advancement and attendance trophies at the stake Court of Honor. Russell Tolman became an Eagle Scout. Russell was graduated from De Anza High School this year and plans to attend Contra Costa College in the fall. While at De Anza, Russell was a member of the varsity cross-country team.

College students who have returned home for the summer vacation include Larry Severson, who is engaged to be married in August; Ralph Severson, who recently returned from a mission and Jim Hamblin, who also served a mission, all from B.Y.U. Karen Gowans finished her 2d year at Utah State. Jim Banford received a fellowship from B.Y.U. and rteurned for the summer session to graduate in August. He will receive his B.S. degree in language.

Elder GAYLON COATES of Phoenix, Ariz., recently appointed public relations director for the California North Mission by Mission President Lyle R. Peterson. One of his first duties was to report the baptism of 440 persons in the mission during May to make it a leader among missions of the Church.

Pladits and thanks go to our wonderful Polynesian members for one of the most memorable evenings in the history of our ward. A delicious luau and a our of each of the South Pacific Islands by word and song anl dance and authentic costumes made an evening that delighted hundreds from the Bay Area. Also, our welfare fund was increased considerably.

Fred and Carolyn Hiapo and family; have moved back to their native Hawaii, the Clark Butlers have moved to Denver, the Pierre Koncurats to Salt Lake, the Jan Fishers to Arizona, the Darrell Comstocks to Northern California. Several other families, includng the Roy Taylors, left last month. more than 20 assignments were vacated when these families moved.

June brings us the smiling and intellgent faces of many of our young people back from the BYU for the summer—welcome home!

Our faith and prayers go to Brother Forrest F. Poore of the Bishopric who recently underwent a serious operation at Peralta hospital.

All of us could well follow the exape of Sister Rena Lewis Loverin who made 19 visits to the Oakland Temple last month. The rest of us should help in this rewarding work.

Reminder; let's not forget to visit members who are ill or in rest homes. The time goes slowly for them. A list of the names and addresses are on the bulletin board.

Studio Uses New Method For Sets

A revolutionary new way to build motion picture sets is being utilized by the Brigham Young University motion picture studio.

The new method, inspired by the boating industry, enables construction crews to complete a set at half the cost and an even smaller fraction of time than it usuallytakes.

Tre new method is a liquid plastic made up of two components, that is sprayed onto a form which is made out of cardboard or even brown wrapping paper. Two seconds after striking the surface, the plastic expands to 30 times its molecular size. It solidiies into a durable, light "meringue," that can be carved, filed, scrapped, cut or painted in any way.

Concord Stake On July Bill Of Mormonaires

By Margie Hamilton

Mormonaires, for those who don't know, is an organization set up to provide activities and fellowship fo rthe single set 25 years and older who would like to meet other Mormons in the Bay Area. Formerly the officers mapped out the activities each month but this placed too great a burden on the shoulders of just a few people. Planning will now rotate each month from stake to stake under the leadership of the club officers. This will reach more eligible people and help them to become interested and active.

July will start the ball rolling with Concord Stake Mormonaires sponsoring activities for the Bay Area. With the exception of the Fireside and Discussion Group which wil be held in the Interstake Center, all the activities will take place within the Stake.

The need for this type of club is becoming urgent as the number of people in this age group increased. Mormonaires is represented in each stake by a member of the high council and has the guidance of two enthusiastic couples, DR. MILTON BRINTON and wife LEAH of Pleasant Hill, and J. R. NELSON and his wife MAUREEN from Martinez. All activities were held on a high spiritual level. For more information or arrangements for transportation to and from activities: cal,

THE BIG INCH

The ruled box above is a one-inch ad. It measures one column wide by one inch deep. It costs advertisers $2.50.

It looks kinda lonesome by itself.

But look at it this way.

What you get when you buy a one inch ad in The Messenger of Northern California is not just a single inch of space in the paper, but one inch multiplied by 10,000 copies each issue.

So you are really buying 10,000 inches, which at 75 inches a page would be 133 pages of printed newsprint.

That's a mighty big chunk of space for a cost of only $2.50. Just imagine the cost of reaching all those Messenger families by postcard. It would amount to more than $400 just for the postage. But the Messenger does it for a mere $2.50 per insertion.

So you can see that a little one-inch ad is really a pretty BIG inch when it's advertising space in the Messenger. And figures show that it's the most effective and economical way possible to let people know you have wares and services they could use.

Call and let a Messenger advertising representative show you how a little BIG inch can wake up sales for you.
